

January 2016

**Access upgrade**

Dear Parents,

We have upgraded our security at our main entrance. You will now be required to use a token to enter our premises.

We require R200 **CASH** for your tag. No EFT.

Once your token has been returned you will receive R100 back.

Please ensure that your token is kept in your child's swimming bag to prevent it from being forgotten or misplaced. Please note that should you not have your token on your day of swimming you will not be able to get in at the gate.

Under no circumstances will you be permitted to let anyone into the gate as it puts us all at risk.

Please fill in below and return it via email along with ID copies of both parents and anyone else who may be using the tag.

---

Child/Children's name and Surname: \_\_\_\_\_

Number of token's required: \_\_\_\_\_
