**RE: UNDERWATER PHOTO'S**

Dear Parents,

It has come to that time of the year again and we are going to start taking underwater photos of your little one.

The cost will be R300 and there will be between 30-50 high resolution photo's on a disc.

Siblings may share a disc but cousins and friends need to purchase individual disc's.

Should you not respond we will not be taking photo's of your child as it will be too late and this is a time consuming process.

Your order will be added to your account and you will not receive your disc until photo's have been paid for.

Please could you sign and return this letter latest the 15th of October 2015. You may email it to [hurly@telkomsa.net](mailto:hurly@telkomsa.net) or hand it back to your swimming teacher at the swimming school.
