

Newsletter April 2015

Dear Parents,

Our last teaching day for our summer season is on the 23rd May 2015.

Swim-Tech's winter season is from 3rd June – 2nd August 2015

Please note that during our winter season we only swim on a **MON / WED / SAT**.

Last year we had a very successful winter season. Our teachers have requested that if your child cannot swim we strongly urge you to carry on or they regress. There is no reason at all not to do winter swimming!

During winter we switch off our small pool and all teaching is done from the big pool as we need both of our heat pumps to maintain the water temperature. Heaters will be provided in the waiting area as well as the change rooms. Please ensure that you keep the doors CLOSED to maintain the heat.

The pool will be kept at 32 degrees. Bear in mind if we have a severe cold spell the water temperature could drop. Should this happen I will either make up your lesson or reimburse you for the days lost.

Ensure that you dry your child's hair and dress them warmly before leaving. Please remember that I cannot refund you once you have committed to winter swimming.

A new time slot will be given to you as soon as I have completed the roster.

Kindly complete the information below.

Please e-mail the form back to us on hurly@telkomsa.net

_____ (child's name) **will be** attending winter swimming.

Our current swimming time is at _____

We would be swimming on a
(please **TICK** your option)

MONDAY

WEDNESDAY

SATURDAY

_____ Parent name (print)

_____ Parent signature

(Only MONDAY & WEDNESDAY swimmers to fill in the information below)

From what time can you get to swimming? _____

Regards

Swim-Tech Team
